

Price list

Order number	Description	Unit	Price (MSR)*
HC-iX800-10	 <p>The standard controller iX800 is the heart of the system. It offers the visualization of all installed modules. Industrial Micro SD-Card integrated (evon Smart Home Software pre-installed).</p>	7,8 DU	594,00 €
HC-iX840-10	 <p>The high-end solution for extended multimedia/technology functions. Industrial Micro SD-Card integrated (evon Smart Home Software pre-installed).</p>	7,8 DU	930,00 €

LIGHTING MODULES

HC-L1144-10	 <p>Intelligent light module for 4 light functions. Installation requires additional power relays.</p>	2,6 DU	216,00 €
HC-L1244-10	 <p>Intelligent light module for 4 light functions. Installation requires additional power relays.</p>	3,9 DU	255,00 €
HC-L1424-10	 <p>Intelligent dimmer module for 2 light functions. For 0(1) to 10V controllable dimmer packs.</p>	3,9 DU	255,00 €
HC-L1544-10	 <p>Intelligent dimmer module for 4 light functions. For 0 to 10 V controllable dimmer packs.</p>	2,6 DU	312,00 €
HC-L1644-10	 <p>Intelligent lighting module for the direct control of LED string lights or LED lamps. Optional RGBW operating mode. Only supports LEDs of type „common anode“.</p>	3,9 DU	369,00 €
NEW! HC-L1842-10	 <p>Intelligent lighting module for 2 separated DALI lines. Connects to max. 16 lamps per line. 2 additional digital inputs for free use.</p>	3,9 DU	423,00 €

Order number	Description	Unit	Price (MSR)*
SHADING MODULES			
HC-B1144-10	 Intelligent shading module for 2 blinds with separate motors for open and close (230V).	2,6 DU	216,00 €
HC-B1244-10	 Intelligent shading module for 2 blinds with reversing DC motor.	3,9 DU	216,00 €
HC-B1344-10	 Intelligent shading module for 2 Schlotterer Retrolux and standard blinds with separate motors for open and close (230V).	2,6 DU	222,00 €
DIGITAL MODULES			
HC-D1180-10	 Universal digital module for 8 digital inputs. For the connection of window contacts, proximity sensors, etc.	2,6 DU	222,00 €
HC-D1208-10	 Universal digital module for 8 digital outputs. For the connection of alarm sirens, door openers, etc.	2,6 DU	222,00 €
HC-D1344-10	 Universal digital module for 4 digital inputs and 4 digital outputs.	2,6 DU	222,00 €
INDOOR CLIMATE MODULES			
HC-C1144-10	 Intelligent room climate control with 4 heating circuits. Inputs designed for evon room control units.	2,6 DU	279,00 €
HC-C1244-10	 Intelligent room climate control module with 4 heating circuits. Inputs designed for PT1000 sensors.	2,6 DU	306,00 €

* Price list valid from April 1st 2019: Non-cartel prices are manufacturer recommendations only including VAT. Subject to our general contractual and delivery terms and conditions. When using our equipment, please observe the appropriate valid Austrian norms, installation and mounting instructions, and our manufacturer norms and installation instructions. Subject to technical changes. No guarantee can be given for the accuracy of the given information. Detailed technical information available on www.evon-smarthome.com

Order number	Description	Unit	Price (MSR)*
ROOM CONTROL UNITS			
HC-C110X-00	 Room temperature sensor and control panel with data protocol for C1144 module.	W x H x D: 84,5 x 84,5 x 25,0mm	93,00 €
HC-C1109-00	 Sensor touch room control panel with data protocol for C1144 module.	W x H: 50 x 50mm	150,00 €
HC-C1010-00	 PT1000 sensor for connection to modules: A1240, A1380, C1244.	W x H x D: 10 x 25 x 7mm	33,00 €
ANALOGUE MODULES			
HC-A1144-10	 Universal analogue module with 4 input and 4 output channels.	2,6 DU	273,00 €
HC-A1240-10	 Universal analogue module for temperature measurement using 4 PT1000 sensors.	2,6 DU	255,00 €
HC-A1380-10	 Universal analogue module for temperature measurement using 8 PT1000 or KTY sensors.	2,6 DU	363,00 €
TECHNOLOGY MODULES			
HC-TS410-10	 Background music and speech output for up to 4 zones mono or 2 zones stereo. Extended functions available in combination with iX840 Controller.	3,9 DU	660,00 €
HC-TA200-10	 Intelligent technology module that provides the evon Smart Home controller with 2 additional RS485 interfaces (e.g. to connect access systems, etc.)	2,6 DU	288,00 €

* Price list valid from April 1st 2019: Non-cartel prices are manufacturer recommendations only including VAT. Subject to our general contractual and delivery terms and conditions. Order number	Description	Unit	Price (MSR)*
NEW! HC-TE100-10	 evon Smart Home technology module for a second network interface connected to iX800/iX840 controller.	1,3 DU	177,00 €
HC-S2100-00	 evon Smart Home techCOM connecting plug	-	6,30 €
HC-S2200-10	 evon Smart Home techCOM connection module output (to connect to the controller)	1,3 DU	72,00 €
HC-S2300-10	 evon Smart Home techCOM connection module input (to connect to the techCOM module)	1,3 DU	72,00 €
HC-S2400-00	 evon Smart Home techCOM connection cable (to connect to the techCOM connection module)	1,5m	21,00 €

SYSTEM MODULES

HC-S1100-10	 SmartCOM line terminator module.	1,3 DU	42,00 €
HC-S1200-10	 Bus converter module for smartCOM line with RJ45 network cable connection.	1,3 DU	42,00 €
HC-S100W-00	 Power supply 230Vac/24Vdc 100W 4,2A	5,2 DU	120,00 €

EXTENSIONS

HC-WSLRW-00	 Weather station for the measurement/recognition of temperature, rain, wind, dawn/dusk, sunlight strength S/E/W	-	387,00 €
HC-SiPB10-00	 IP video door station with app integration (video, switch, no speech) wideangle camera, 1x bell push.	-	1149,00 €

* Price list valid from April 1st 2019: Non-cartel prices are manufacturer recommendations only including VAT.

Subject to our general contractual and delivery terms and conditions. When using our equipment, please observe the appropriate valid Austrian norms, installation and mounting instructions, and our manufacturer norms and installation instructions. Order number	Description	Unit	Price (MSR)*
HC-CAM12-01	 2 megapixel full HD camera with infrared night-sight mode, power over Ethernet (POE)	-	234,00 €
HC-DCAM20-00	 2 Megapixel full HD camera with infrared nightsight mod, power-over-internet (POE), IP65 WDR	-	234,00 €
HC-ULUX-00	 U::LUX switch with data socket	W x H: 55 x 55mm	297,00 €
HC-UL-UXEXT1-00	 U::LUX switch temperature extension (only for use with HC-ULUX-00)	W x H: 55 x 55mm	51,00 €
HC-UL-UXEXT2-00	 U::LUX switch temperature + humidity extension (only for use with HC-ULUX-00)	W x H: 55 x 55mm	66,00 €
HC-UL-UXEXT3-00	 U::LUX switch temperature + humidity + movement detector extension (only for use with HC-ULUX-00)	W x H: 55 x 55mm	90,00 €
HC-UL-UXEXT4-00	 U::LUX switch temperature + humidity + CO2 concentration extension (only for use with HC-ULUX-00)	W x H: 55 x 55mm	189,00 €
HC-KEYAP-00	 Fingerprint access system surface mounted	W x H x D: 45 x 81,6 x 60,3mm	375,00 €
HC-KEYAPR-00	 Fingerprint access system surface mounted with RFID functionality	W x H x D: 45 x 81,6 x 60,3mm	549,00 €

* Price list valid from April 1st 2019: Non-cartel prices are manufacturer recommendations only including VAT. Subject to our general contractual and delivery terms and conditions.
